"A" and "B" met at the paradise-like Northern islands;
"A" turns "B" into putty in his hands, using honeyed words and an aggressive attitude, but "A" is actually a selfish player!
He wants to have both his fiancee and 'pig mouth' at the same time, but this causes "B" to fall into an abyss of pain. Caught in this sad three person relationship, will "A's" final decision shock everyone?!

Relationships filled with passion and pain
Romance between we can't help but love.
These are both fully fleshed out in the work of Kaoru Kyogaku!
